

CREDIT GUARANTEE FUND AFGHANISTAN

### **Addendum: Q&A on ToR**

#### **Project: Due Diligence of Mutahid Development Finance Institution**

Date: 30.07.2024

- 1. Can a consulting firm be part of a consortium for this tender considering that they are currently involved in another tender process with ACGF? Or is this considered a conflict of interest?*

**ACGF:** Consortiums are allowed for this tender even if one of the involved consulting firms have applied to another tender process with ACGF. Please note that the appraisal of the proposals are done independently in each tender process, which means that the requirements of each and individual tender must be met.

- 2. Please clarify the experience expected for expert K4. Is the required expertise for K4 a total of 15 years at the branch level/head office, or can it be a combined 15 years of experience that includes some experience at the branch/head office?*

**ACGF:** The experience of the expert can be combined as long as its relevant for the tender requirements and can be sufficiently proven.
